

PRIVACY POLICY

Finvio Fintech Solutions Pvt. Ltd. — Effective 1 June 2026.

What We Collect

We collect your name, email address, mobile number, date of birth, PAN, and Aadhaar reference number for the purpose of KYC verification as mandated by the Reserve Bank of India.

We also collect device-level data such as IP address, device model, operating system, and app usage patterns to detect fraudulent activity and improve our service.

How We Use It

Your personal information is used to open and operate your account, verify your identity under applicable laws, process transactions, and communicate account-related notifications.

We may also use anonymised aggregate data for internal analytics and product improvement.

Who We Share It With

Your personal information may be shared with regulatory authorities when legally compelled, with KYC bureaus for identity verification, and with payment partners who process transactions on our behalf.

We do not sell your personal information to third parties for marketing purposes.

Data Retention

We retain your personal information for the duration of your account and for a further period of eight (8) years after account closure, as required under RBI's record-retention guidelines.

Your Rights

You have the right to access, correct, and request deletion of your personal information. To exercise these rights, write to privacy@finvio.in from your registered email address.

Security Measures

We implement bank-grade encryption, two-factor authentication, and continuous monitoring to protect your data. All personal information is stored on servers located within India.

Contact

For any privacy-related queries, you may reach our Data Protection Officer at dpo@finvio.in or on +91 20 1234 5678 during business hours.
